Set in the heart of Nueva Andalucía, this villa by Cogitari Homes offers 986 m² built on a 1,727 m² plot with five en-suite bedrooms and a seamless indoor-outdoor layout.

The open-plan living, dining, and kitchen areas connect directly to the terraces and pool, while the lower level features a gym, sauna, entertainment area, wine storage, and a self-contained studio apartment. Surrounded by layered terraces and open golf, valley, and mountain views, the villa combines refined design, privacy, and functionality.
