A south-facing villa in Puerto del Almendro, Benahavís with nine bedrooms and nine en-suite bathrooms, arranged across a main residence and an independent guest house on a 7,881 m² plot, offering approximately 1,177 m² of built space, 140 m² of terraces, two outdoor swimming pools, and far-reaching sea and mountain views across the Mediterranean coastline.

The interior leisure spaces are practical and well considered, including a dedicated cinema room, wine bodega and fully equipped home gym. These areas are designed for regular use rather than occasional display, supporting both permanent living and extended stays. Outdoors, the estate is thoughtfully distributed with landscaped terraces, two swimming pools serving different parts of the plot, and varied viewpoints across sea, countryside and garden. The scale of the land provides a sense of calm and separation without feeling remote.
