Casa Koi is a contemporary frontline golf villa in Las Brisas, Marbella, with open views to La Concha mountain. The home combines modern architecture with warm natural materials, featuring open-plan living spaces, a bespoke kitchen, and seamless indoor-outdoor flow to landscaped gardens and a pool terrace. Accommodation includes private bedroom suites, highlighted by a principal suite with terrace access. Additional amenities include a spa, cinema room and wine bodega. Set in a quiet residential area, the property is minutes from key amenities, offering a balanced mix of privacy, design and convenience.
