Set within the prestigious gated enclave of The Hills, this is a contemporary architectural statement by Tobal, with interiors by Pedro Peña and construction by B Solis, three names synonymous with quality at the highest level. On a 1,379 m² plot with 851 m² of living space, the seven-bedroom, seven-bathroom residence commands sweeping views across the Mediterranean coastline, offering an exceptional standard of craftsmanship, design and privacy throughout.

The main living level unfolds as a series of open-plan spaces, where floor-to-ceiling glazing blurs the line between indoors and out. Elegant reception rooms, a bespoke designer kitchen and a formal dining area flow onto covered terraces, landscaped gardens and a striking swimming pool, a setting equally suited to quiet family living and large-scale entertaining. Pedro Peña's interiors bring together natural stone,...
