Villa Agata presents a modern Mediterranean home in La Quinta with incredible sea views. Set on a 1,109 m² plot and newly renovated throughout, the villa showcases striking architecture paired with refined interiors by Soledad Merchant. The main living area is a bright, open space with floor-to-ceiling glass, custom shelving, and a smooth transition to the outdoor areas. The adjacent dining zone and lounge are arranged for practical everyday use while still offering an elegant setting for hosting.
