Villa project in Nueva Andalucía on a 2,273 m² plot with 1,038 m² built, offering 6–8 en-suite bedrooms and a flexible layout.

Villa Los Arcos stands out for its balanced architecture, with symmetry, clean lines, and elegant arches. A double-height living area with large windows creates a bright, open space connected seamlessly to the garden.

The exterior features a well-proportioned garden, a long pool, terraces, and a covered pavilion for outdoor living.

Located in one of Marbella's most desirable areas, it offers privacy while remaining close to golf, schools, and amenities.
