Casa Cazorla by Casas Fintech is a contemporary architectural gem in Lomas de Marbella Club, on Marbella's Golden Mile. Spanning 1,460 m² on a 1,010 m² plot, this 5-bedroom residence blends elegance, privacy, and Mediterranean serenity. Designed with natural wood and stone, it radiates warmth and harmony both inside and out.

The home features open-plan living spaces, a designer kitchen, and expansive terraces connecting seamlessly to landscaped gardens. The master suite includes a walk-in closet and spa-style bathroom, complemented by guest suites for family and visitors.

The lower level is dedicated to wellness and leisure, offering a spa, gym, wine room, office, and direct garden access. Outdoors, a private pool, lounge, and alfresco kitchen complete this haven of refined design and modern tranquillity.
